# COMPANY MISSION

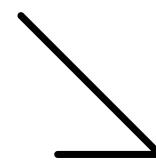

## Applied Solutions:

Applied Technologies is supporting manufacturing companies in engineering to help for creating Innovative Products, Reduce Costs, and Shorten Development Cycles.

From initial concept to rapid production readiness, Applied Technologies provides Engineering Manufacturing & Design services for Defense, Automotive, Construction Equipment's manufactures, Sugar Plants, Industrial Equipment's and Machine Tool OEM's and suppliers.

# COMPANY VISION

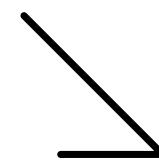

## Provide Services:

Our vision is to emerge as a global leader in the construction equipment industry by combining innovation, reliability, and sustainability. We are committed to delivering high-performance, technology-driven solutions that enhance productivity, safety, and efficiency for our customers worldwide.

With a focus on continuous improvement and engineering excellence, we aim to empower infrastructure development and contribute to a more sustainable future. Through strong partnerships, superior service, and a passion for innovation, we strive to create lasting value for our customers, employees, and communities, positioning our brand as a trusted name in modern construction technology and equipment manufacturing.

# COMPANY PROFILE

## Company Details:

ISO Certificate No: **305023082137Q**

Postal Address: **Plot No.29/4, D1 Block,  
M.I.D.C. AKUDI INDUSTRIAL ESTATE,  
AKURDI, Pune- 411 019**

GST No.: **ABKPL8329C1ZK**

ZED No.: **13052025\_470695**

Phone / Telex: **+91 9922 83 7133, 9766 26 9444**

Company E-mail: **appliedtek@gmail.com**

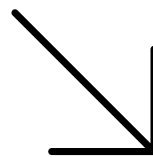

Area: **5500 Sq.ft. R.C.C. Construction**

Power: **60 HP**

Our Bankers: **Union Bank Ltd.**

Turn Over: **6-8 Crore**

# APPLIED TECH

## Machine Set Up:

- VMC - HASS - MADE IN USA
- CNC TURNING CENTRE - JYOTI & HURON MACHINES + TSUGAMI CNC
- UNIVERSAL MILLING MACHINE - DU - FOUR - FRANCE 4 no's
- JIG BORING - TAIWAN
- LATHE -NORTON - 2 no's

- RADIAL DRILLING MACHINE - 1 no
- PRESS MACHINE - 1 no
- WELDING MACHINE MIG - 2 nos
- BEND SAW - 2 nos
- 8 H.P SCREW COMPRESSOR - 1 no

## Company Workers:

ENGINEERS: 4 Nos

MACHINIST: 4 Nos

MILLER: 4 Nos

WELDER: 4 Nos

FITTER: 4 Nos

HELPER: 4 Nos

# KEY CUSTOMERS

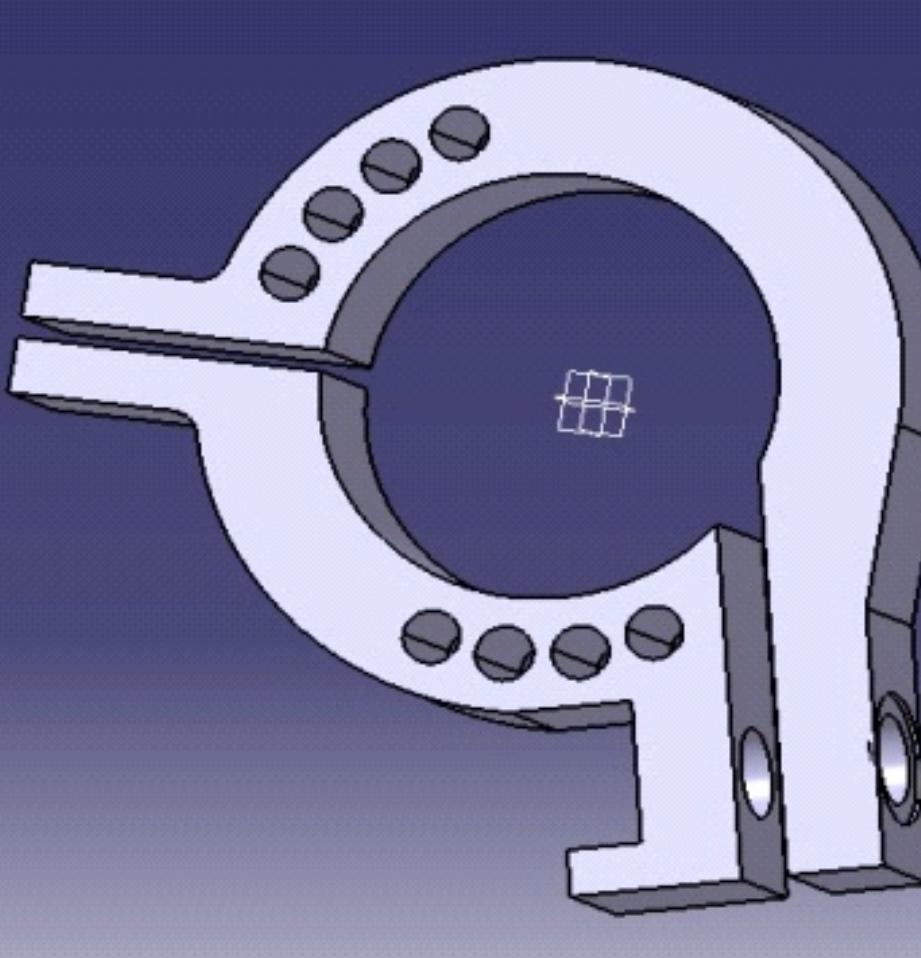

## Brands We Worked:

→ Providing  
Services to  
Following  
OEM.

Parts.

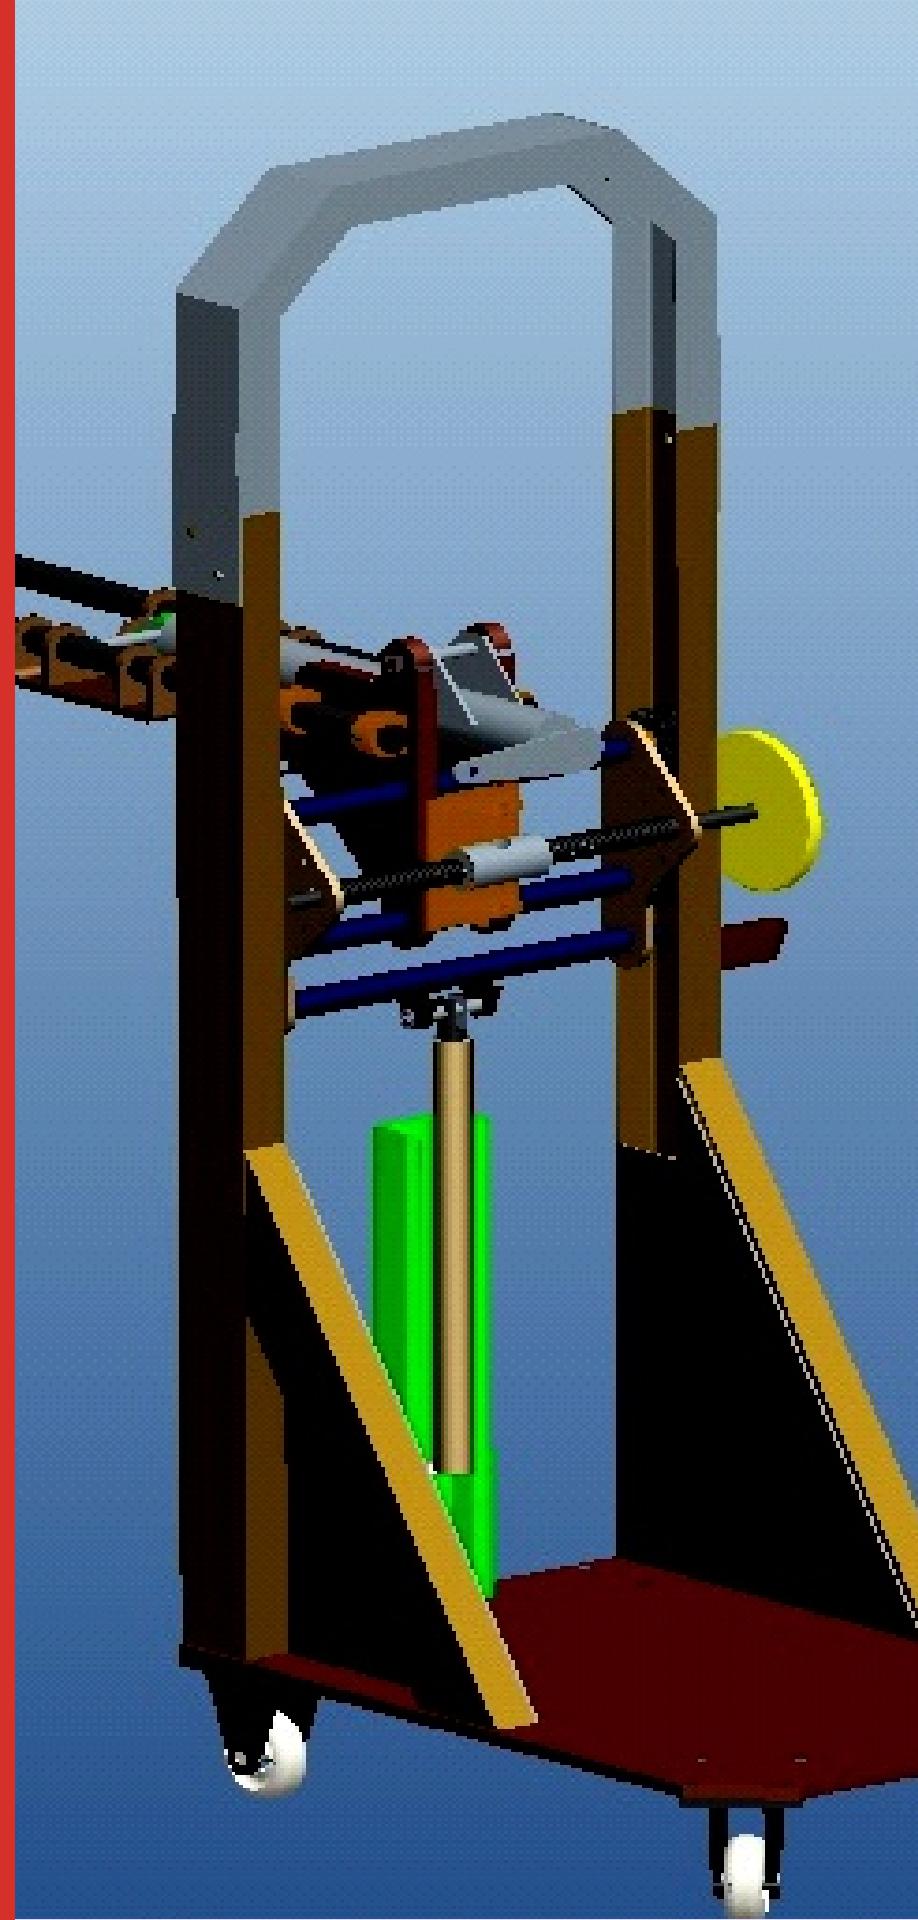

\* Applied Technologies Iso Certification No:305023082137Q

Chassis  
Drilling  
Machine  
For Transit  
Mixer.

\* Applied Technologies Iso Certification No:305023082137Q

# Concrete Boom Pump Parts.

\* Applied Technologies Iso Certification No:305023082137Q

→ Tower  
Crane Parts.

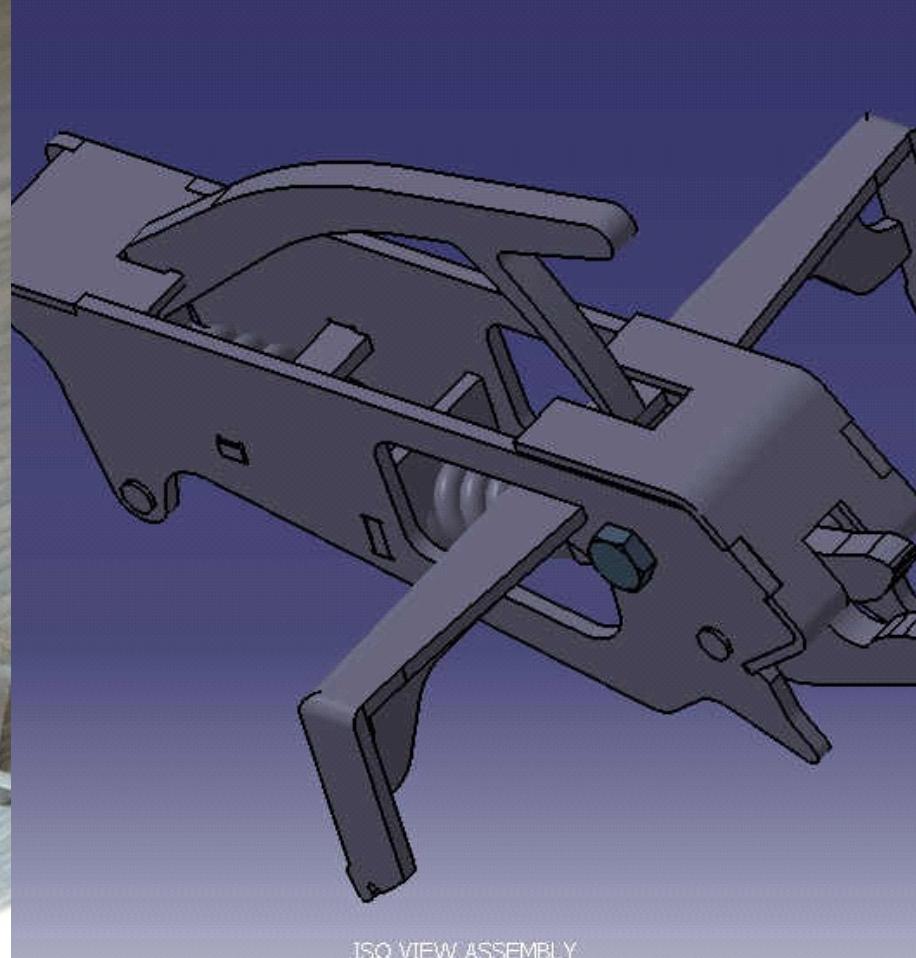

\* Applied Technologies Iso Certification No:305023082137Q

# → Slipform Pavers Parts.

\* Applied Technologies Iso Certification No:305023082137Q

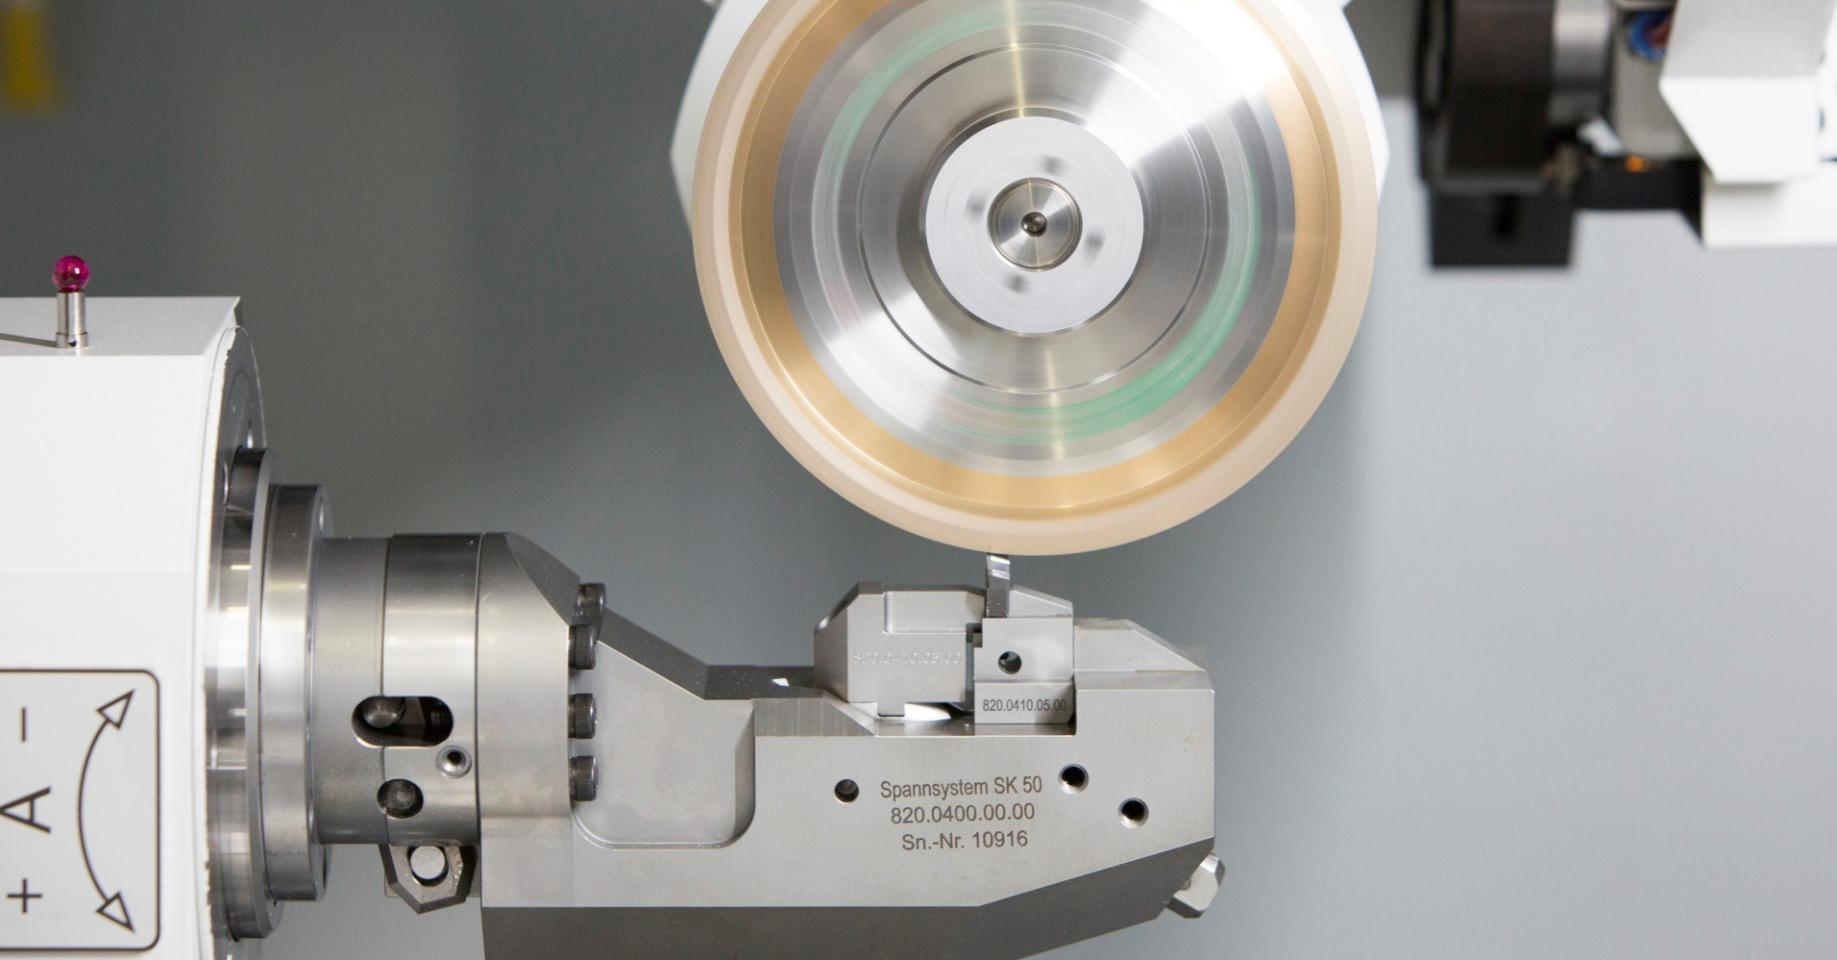

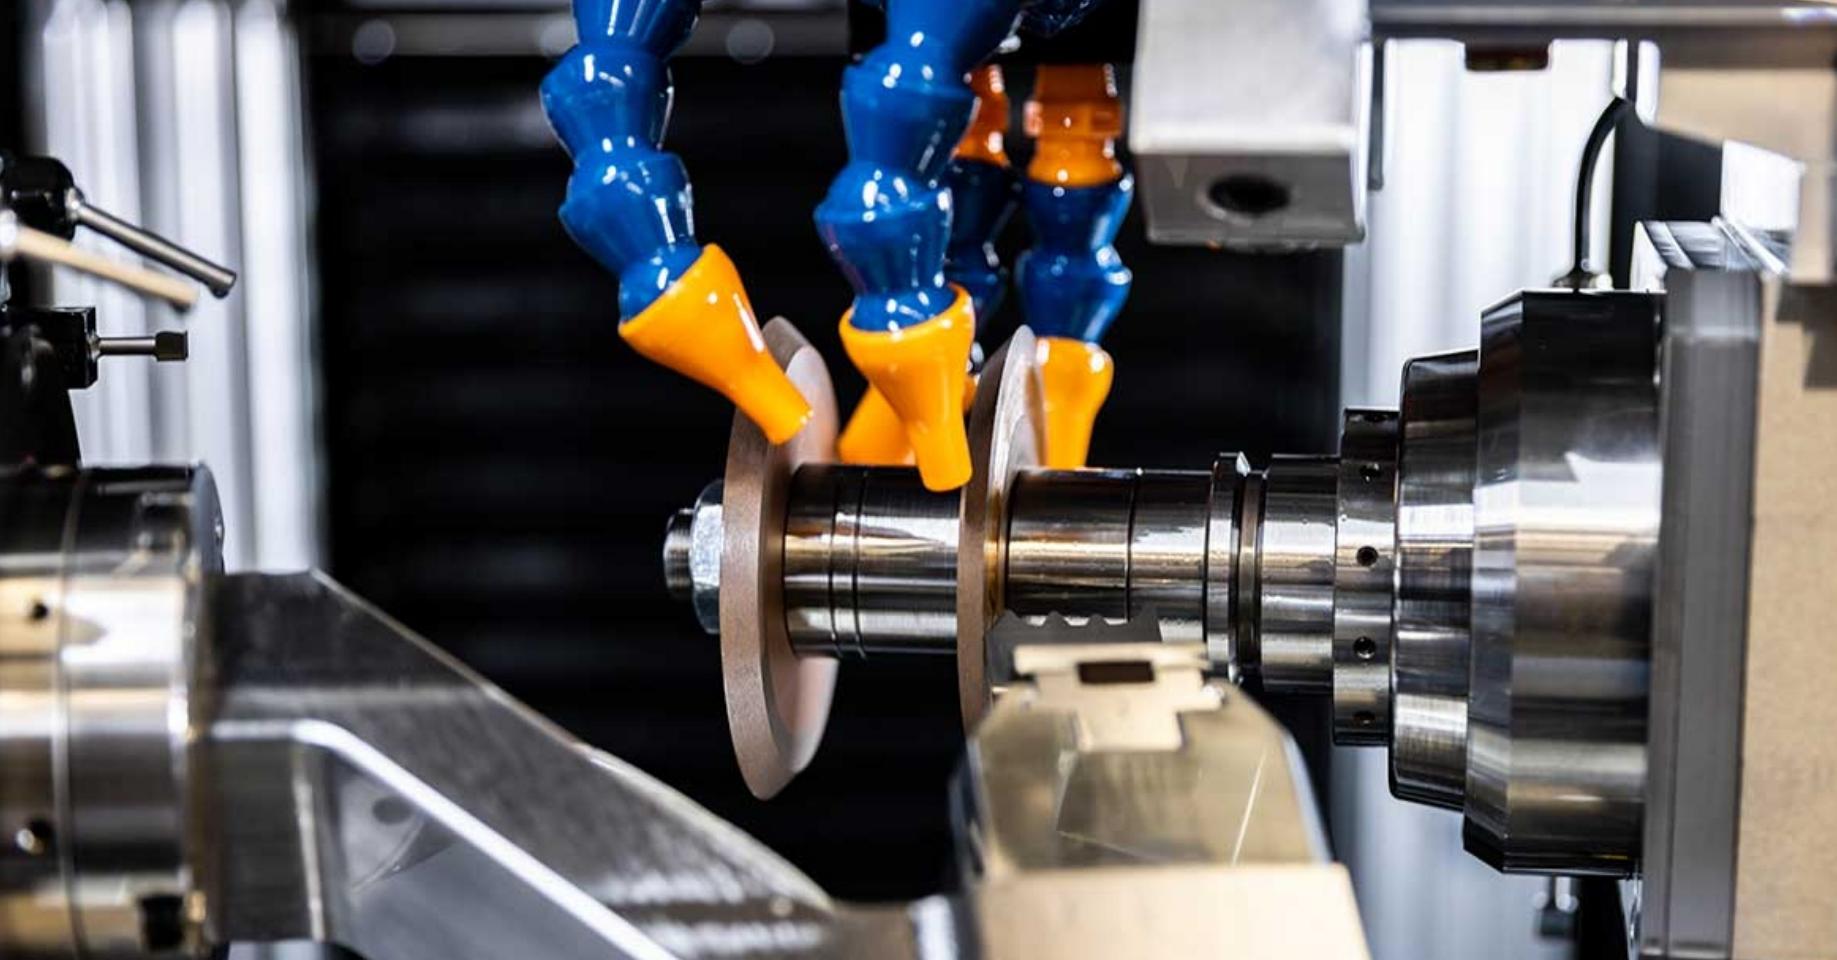

→ Applied  
Technologie  
Engineering

\* Applied Technologies Iso Certificatio No:305023082137Q

# → Aerospace Parts

→ CU Tip,  
Dressing  
Inserts.

\* Applied Technologies Iso Certificatio No:305023082137Q

# Thank You
